

Tennis Camps

From Beginners to performance players, tennis camp offers an exciting package of tennis for all 5 - 16 year olds. Each day, we work on a different skill, forehands, backhands, volleying, serving, match play and then we add games and challenges in to get players to work on their skills, fitness and tactics.

"We say it's FUN, because the students do"

Students enjoy cardio tennis to music, a range of tennis competitions, including champions and challengers, jail break, around the world, waves, a weekly Davis Cup Fun competition, and others. Then the week finishes with prizes for three categories of student to recognise their achievements.

Typical day starts at 9.00am with a warm up and then some skills work, a break and then some games until lunchtime. After lunch the students decide what next. That may be tennis with friends, matches or sometime the occasional option to participate in multi sports, a break and then back to fundamentals until 4.00pm finish. If it rains, we have that covered. We simply go inside and play tennis and work on our skills.

Parent feedback.....from the many positives received

"Really appreciate the hard work you and the team put in with the kids. You must have the patience of saints at time" (MW-parent)

If you would like to book onto the tennis camp please email Derick Barrett (derick.j.barrett@gmail.com) or ring on 07786 126 185.
