## About Sale Sports Club

Sale Sports Club is one of Greater Manchester and Cheshire's leading amateur multi sports venues. As a key member of the community we provide sports coaching in many of the local schools, receiving national recognition in 2011 when we were named Chance to Shine project of the year. We are also proud to be Clubmark accredited offering safe, rewarding and fulfilling facilities for all our members including families.

The club has 4 senior sides in the Vivio Cheshire County Cricket League and 8 junior teams for both boys and girls. With continued growth our membership reach is now in excess of 1000, including 220 junior members. We also host Cheshire Representative Fixtures on a regular basis.

## Sponsorship Opportunities

Our ground, located just off Dane Road, will host over 100 junior & senior games this summer along with various County representative matches. This is a fantastic opportunity for you to help support your local sports club's investment in its long term future.

Match Sponsorship packages start from £50

Advertise your business on our Perimeter Boards for £250 for your first season and only £100 renewal (p.a)
