Covid Procedures: Sale Sports Club have been working with the governing bodies to make sure we have everything is in place to run safe camps. Once you have booked on, we will send you the October Holiday Camp Procedures. These procedures will have all our COVID rules in and must be followed or your place will be lost. During the camps we will regularly clean the building and the equipment as well as running social distanced activities. The children who attend camps will be classed as 1 bubble and there will be a max of 30 children allowed on camp. With the constant change in the government guidelines, we will keep following the rules to deliver safe camps. If we find ourselves not being able to follow the rules, we will cancel the camps.
